Quote of The Day

Monday: "I learned that courage was not the absence of fear, but the triumph over it. The brave man is not he who does not feel afraid, but he who conquers that fear." —
Nelson Mandela

Tuesday: "Courage to me is doing something daring, no matter how afraid, insecure, intimidated, alone, unworthy, incapable, ridiculed or whatever other paralyzing emotion

you might feel. Courage is taking action....no matter what. So you're afraid? Be afraid.
Be scared silly to the point you're trembling and nauseous, but do it anyway!" —
Richelle E. Goodrich

Wednesday: "There is a stubbornness about me that never can bear to be frightened at the will of others. My courage always rises at every attempt to intimidate me." — Jane Austen, *Pride and Prejudice*

Thursday: "Pride is holding your head up when everyone around you has theirs bowed. Courage is what makes you do it." — Bryce Courtenay

Friday: "You need to have faith in yourself. Be brave and take risks. You don't have to have it all figured out to move forward." — Roy T. Bennett
